

5.1.3 - Capacity building and skills enhancement initiatives taken by the institution include the following:

- 1. Soft skills**
- 2. Language and communication skills**
- 3. Life skills (Yoga, physical fitness, health and hygiene)**
- 4. ICT/computing skills**

1. Soft skills

Soft skills include interpersonal (people) skills, communication skills, listening skills, time management, and empathy, among others. They are among the top skills employers seek in the candidates they hire, because soft skills are important for just about every job

We have APSSDC and JKC by these platforms we are using to learn the soft skills

Andhra Pradesh skill development corporation is being conducting the job oriented skills to the students.

Jawahar knowledge centre (JKC) is very big platform to learn the skills like communication and other interview skills.

2. Language and communication skills.

We are using official language in our college and local language for better understanding purpose. English communication skills are also incorporated in the syllabus.

3. Life skills (Yoga, physical fitness, health and hygiene)

We are regular practicing yoga and meditation classes to our students through physical education department .

Physical fitness through gymnasium.

Health and hygiene medical camps are conducting and blood donation programmes are arranged under NSS scheme.

4. ICT/computing skills

We have well established computer lab and ICT enabled facilities, by using this students are very much interested to come to the classes regularly.
