Preparation of Painbalm :-

20 grams of Vaseline and 2 pieces of Camphor are taken in a beaker and heated in water bath until the Vaseline melts. After the Vaseline is completely melted, the beaker is removed from water bath. 20 drops of eucalyptus oil and 20 drops of piperment oil is added to the Vaseline. $\frac{1}{4}$ spoon of turmeric powder is also added. The total mixture is mixed well and is taken into a clean and dry bottle and allowed to cool.

Preparation of Comfort (after wash)

Taken three spoons of Corn flour in to a bowl, added three glasses of water and then heated with continuous stirring to avoid the formation of lumps. The liquid is boiled for few minutes and then cooled to room temperature. After that some Venigar, long lasting perfume and a pinch of food colour ~~is~~ are added.
