

S.K.R. GOVT DEGREE COLLEGE, GUDUR

2019-2020

DEPARTMENT OF COMPUTER SCIENCE/APPLICATIONS

Curricular Aspects

1. Curriculum design and development :

- ❖ Curriculum is designed in accordance with the Choice Based Credit System.
- ❖ Choice Based Credit System was proved to be effective for students for overall progression.
- ❖ The Choice Based Credit System facilitates freedom for the learners to decide on papers they wish to learn.

2. Curriculum planning and implementation :

- ❖ To promote academic excellence in the areas of student choice.
- ❖ To make the system more self-reliant by introducing at least partially the internal assessment process.
- ❖ To enable student to enhance their practical skills.
- ❖ To facilitate awareness of the current trend and movement in the chosen subject.

3. Curriculum enrichment:

- ❖ In order to extend students' education beyond their main course of study we provide group projects, practical work, creative expression, discussion and brain-storming sessions. These programs enrich the students' educational experience for further education and enhance students' confidence to achieve their goals.

Feedback system:

- ❖ Student Feedback system for students have been implemented on various areas i.e., Feedback on course for the improvement of course content, Feedback on faculty to analyze faculty performance and Parents Feedback for overall constructive development of the institution.
