Report on International Mathematics Day (14-03-22)

DEPARTMENT OF MATHEMATICS, SKR GDC, GUDUR

International Day of Mathematics (IDM) is observed globally on the **14th of March** every year. It is also known as the **Pi Day** because the mathematical constant **π (pi)** can be rounded down to **3.14.** It aims to educate people about the essential role of Mathematics in science and technology. This is a relatively new event that was created just a couple of years back. The theme for 2022 IDM is **"Mathematics Unites".** The proclamation of **March 14** as the International Day of Mathematics was adopted in the **205th** session of the UNESCO's Executive Council. The day was then adopted in the 40th session of the General Conference of UNESCO in **November 2019.** Later in 2020, the world celebrated its First International Day of Mathematics on **March 14, 2020. On** March14,2022 , International Day of Mathematics is celebrated.The programme was presided by the Principal Dr.P.Venkateswarlu. The event began with the encouraging words of the Principal. Dr.S.Vallinadh, Lecture,rDept of Chemistry delivered speech on importance of Mathematics in daily life. Smt S Kiranmaiye, in-charge, department of Mathematics has given a brief review on the IDM. Smt SK.Mymoon, In charge, Dept. of Computer Science gave valuable suggestions to students. Program was concluded with vote of thanks by Sri P.S. Sreedhar Sarma, In charge, Dept. of Physics. The main objective of this program is to inculcate interest in Mathematics.

Opening Remarks by the Principal

In-charge of the Department Principal
